

REMARKS

This document responds to the Notice of Allowance dated June 14, 2010, which allowed each of then pending claims 1, 3, 5-6, 11-12, and 32-39. Applicant is adding new claims 40-46, which recite language that is similar to claims 1, 3, 5-6, 11-12, and 32-39, but are directed to another category of statutory subject matter. Support for the new claims can be found throughout the specification, for example, at page 9, lines 24-31. Claims 1, 3, 5-6, 11-12, and 32-46 are currently pending with claims 1, 33, and 40 being independent. Applicant respectfully requests allowance of the pending claims.

Applicant notes that the Examiner, in the Notice of Allowability dated June 14, 2010:

The undersigned representative authorized the amendment to dependent claim 34 during a May 27, 2010 telephone interview with Examiner Silver. Applicant has no objection to the new title proposed by the Examiner.
